

# How to Login to Google Drive from Google

1. Open any web browser on your computer and type in [www.google.com](http://www.google.com).
2. Find the array (Rubik's cube) and click, prompting the drop down menu.

3. Click on the Google Drive icon out of the options that drop down.

4. Login to Google Drive by following the directions below.

One account. All of Google.

Sign in to continue to Google Drive

A screenshot of the Google sign-in page. At the top is a grey circle with a white person icon. Below it is a text input field containing the email address "@students.fmsdmail.org". Underneath the input field is a blue button with the word "Next" in white. To the right of the button is a link that says "Need help?".
